the book moves in a nonreductive way between literary and theological criticism to show how drama and religious thought discern the experience of evil tragic method refers to how tragic art functions as inquiry tragic theology refers to how drama and theology render in thematic or symbolic form certain irreducible dimensions of evil and negativity bouchard defines no single tragic method or any single view of evil but searches for the distinctive interplay of tragic method of theology in each dramatist the work opens by scrutinizing certain important interpretations of greek tragedy paul ricoeur's interpretation of the wicked god and the tragic vision receives major focus as does sophocles who as a tragedian dramatized the action of inquiry and interpretation bouchard then examines augustine's views of evil and sin reinhold niebuhr's critique of the ironies of history and tillich's conceptions of the demonic by interpreting tragedy in terms of sin or the effects of sin each theologian resists implications in his own thought pointing to a less resolvable tragic theology and yet these theologians also contribute very creative understandings of the irreducible character of evil and tragic experience substantive and original readings of three playwrights are offered rolf hochhuth's tragedy of vocation the deputy robert lowell's trilogy of american historical blindness the old glory and peter shaffer's dreams of tragic awareness and accountability in equus and amadeus revealing new permutations of the irreducibility of evil in contemporary christian and jewish religious thinkers who may be helpful in this task and concludes with a description of the experience of perplexed thought self-critical in view of tragedy's witness to irreducibility of evil

unveils the man behind one of the greatest deceptions in history extensively documented and powerfully compelling these letters and records reveal a disturbing and unpleasant course in trying to prove his pre-existing conclusions look beyond the public facade to the deeply troubling man within

in this bold provocative account the author argues that the phenomena of life and mind elude purely materialistic explanations living matter occupies a unique phase of existence which results from the complex transformation of its biochemical synergies analogous phase

changes account for mind and self reflexive consciousness a central role in the living state is played by intelligence which has not been recognised as a non negotiable precondition of organic existence yet the concept of evolutionary adaptivity relies tacitly on it thus the book amounts to a serious challenge to the overly theoretical paradigmata of the last half century with their timorous evasion of biological fundamentals however although the work relies on up to date research of the life sciences it is a primarily philosophical enquiry dealing head on with many unsolved problems of life and mind and culminating in a detailed ontological proof of the mind system

vereen bell gives us a subtly reasoned account of the pattern of lowell s poetry is characterized above all by its chronic and systematic pessimism but that paradoxically lowell s reluctance to accept the consequences of his own unsparing vision is what gives his poetry its vigor richness and tonal complexity
